I. Background:

This Memorandum of Understanding (MOU) is entered with the shared objective of fostering academic collaboration, enhancing educational opportunities, and promoting research and development initiatives. Both institutions agree to collaborate in areas of mutual interest, including but not limited to, student and faculty exchange programs, joint research projects, curriculum development, and the organization of academic events and workshops. This MOU outlines a framework for cooperation and does not create any binding legal obligations but reflects the mutual intent to strengthen institutional ties and contribute to the advancement of education and research.

II. The MoU envisages:

- Student exchange program
- Student International Immersion program (IIP)
- Faculty exchange program
- Collaborative research
- Short Term Certification Courses
- Joint Seminars, Webinars and Conferences
- Any other initiatives based on mutual interests.
